*** Must have the appropriate credentials to register for a number of technical license categories

- Coaches must have completed training and/or certification as an NCCP cycling coach.
- Commissaires must have completed training and passed evaluation at the appropriate level.
- Drivers must have successfully completed Cycling Canada's online Caravan Driver Training.

**** Anyone purchasing a technical license in addition to an ABA or UCI license will only pay one license fee, whichever is greater.

Note: UCI license ability categories are NOT CONFIRMED until the license has been processed and issued.

***** Provincial Race licenses do not allow for upgrading, licensees can only race in Novice, Citizen or the lowest category on offer (can apply to master's categories)

Member Benefits

All members are covered under the ABA insurance program while participating in sanctioned events. Insurance includes personal sport accident and a \$10 million liability portion. More information can be found at [here](#)

Members can also take advantage of discounts on products and services offered by both ABA community partnerships and Cycling Canada partners. Please go to <http://www.albertabicycle.ab.ca/benefits> to check out our current list of benefits.
